

Sikkens premium transparent timber coatings to enhance the natural beauty of timber.

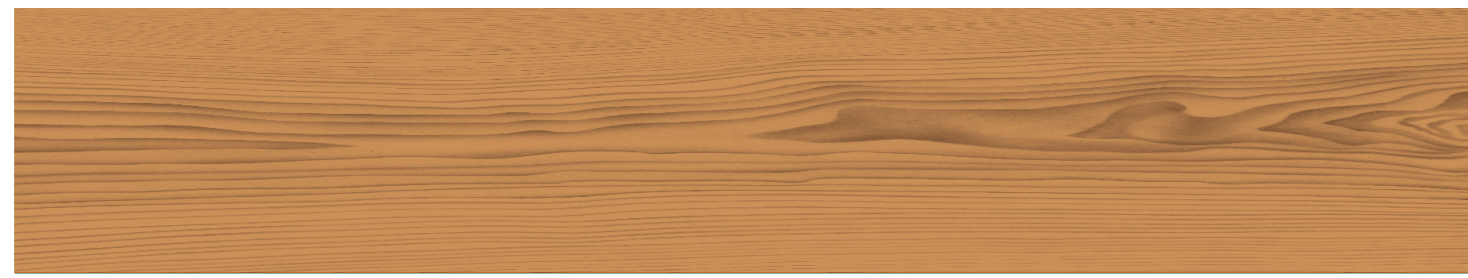

Why Sikkens

Ultra translucent oil base coatings that nourish & enhance the natural beauty of timber. (eg. Cetol HLSe Light Oak on Merbau).

Premium semi-translucent water based coatings for fast results & long-term durability. (eg. Cetol BLX-Pro Light Oak on Pine).

Sikkens Preparation

| Product | Project | Performance | Technology | Surfaces |
|----------------------------|--|-----------------------------------|-------------|-------------------------------|
| Cetol Tannin & Oil Remover | Prepare new hardwood timber before application of Sikkens top coats. | Rapid results in just 15 minutes. | Fast acting | Horizontal Vertical Furniture |
| Cetol Deck & Wood Cleaner | Revitalise & brighten grey & weathered timber before application of Sikkens top coats. | Rapid results in just 15 minutes. | Fast acting | Horizontal Vertical Furniture |
