

# Solvent

General purpose cleaning and thinning solvent.

## DESCRIPTION

Solvent is an aromatic hydrocarbon used as a general purpose solvent/diluent for solvent based acrylic resin solutions and as a clean up solvent for these and other solvent based systems.

## AREAS OF USE

Solvent is suitable for use in the following areas;

- Used as a diluent for solvent based acrylic resin systems.
- May be used as clean up for all Crommelin products.

## TECHNICAL DATA

Boiling Point:	155 -180°C
Flash Point:	38-49°C (ABEL)
Specific Gravity:	0.87 @ 25°C
Vapour Pressure:	1.7 kPa @ 38°C
Solubility in Water:	Below 0.1% mass
Appearance/Odour:	Colourless, strong odour

## PRECAUTIONS

- Solvent is a flammable aromatic solvent. Store in a cool place.
- Keep container sealed when not in use.

Any advice, recommendation, information, assistance or service provided by Crommelin<sup>®</sup> in relation to its products or their use is given in good faith, however is provided without responsibility or liability.

Customers need to undertake their own assessment to determine the suitability of a product for the intended use. As the performance of any product is subject to a wide variety of different surface types as well as environmental and surface-specific conditions, it is essential that a sample of the product be applied to the intended area of use to ensure it is acceptable in appearance and finish and that it performs as required on the specific surface.

Crommelin<sup>®</sup> also reserves the right to update information without prior notice, to reflect ongoing research and product development.

## TRANSPORT AND STORAGE

- Size: 15L
- Weight: 15kg
- DG Class: 3
- Flash Point: 43°C
- UN Number: 1268
- Cool and Dry Storage

## SAFETY AND FIRST AID

Solvent Safety Data Sheet is available from Crommelin<sup>®</sup> upon request.

### Safety

- Ensure good ventilation and avoid breathing vapours.
- Avoid skin and eye contact. Wear gloves and eye protection. Remove splashes on skin immediately and remove contaminated clothing.
- Keep out of reach of children.
- Keep container sealed when not in use.
- Do not swallow.

### First Aid

- If poisoning occurs, contact a doctor or poisons information centre: Ph. 13 11 26.
- If swallowed, do not induce vomiting. Give a glass of water to drink.
- If in eyes, hold eyes open and flood with water for at least 15 minutes.
- If not breathing, apply artificial respiration.
