What's New for 2024

Cetol® Deck Ultra & Deck Ultra SR Stain

- Replaces Cetol® Deck and Cetol® Deck SR.
- Improved translucency, UV and abrasion resistance - **the most trafficable coating in the woodcare range.**
- Now a one-pot system – no need for an HLSe base coat.
- Still suitable for use over HLSe for more colour options.
- **Luxurious satin finish.**
- Improved Natural colour tone, plus new Merbau colour.
- 3 coats – 24 hours between coats.

Cetol® BL Natural Decking Oil

- New ultra-premium water based decking oil.
- **Quick drying – finish the project in a day.**
- Use on any exterior timber project – decking, cladding, garden furniture etc.
- Highly penetrating for long lasting nourishment with high UV and weather resistance.
- **Natural matt to low sheen finish.**
- Subtle Natural and Merbau colour tones.
- 2 to 3 coats – 2 hours between coats.

Cetol® Premium Timber Oil

- New ultra-premium oil-based decking and timber oil.
- **The most natural finish in the range.**
- Use on any exterior timber project – decking, cladding, garden furniture etc.
- Highly penetrating for long lasting nourishment with high UV and weather resistance.
- **Natural matt finish.**
- Subtle Natural and Merbau colour tones.
- 2 coats only – 24 hours between coats.
